No, you can not have the vin, come look at the truck and write it down. I bought it new in December of 2018, One Owner, One Driver, Gently Used, Never been Off Road, Smoke Free, Pet Free, Serviced Regular. My price is LOW and FIRM. Great truck but I am traveling full time in Motorhome and just don't need it. I don't do texting so if you want to buy my truck

call.
