Searching for a security camera installation near me? You've come to the right place. Mammoth Security Inc. New Haven is the go-to installation company for many towns and some government agencies. We've been in business for years and are one of the security system installation companies that offer comprehensive service to New Haven, CT, and a whole host of nearby locations. Our team has extensive experience with all security camera solutions, from wired to wireless cameras to infrared flood lights. We're often called upon to provide security camera systems for schools, hospitals, and apartment complexes. We can even provide a wireless wide-area surveillance system that has a virtually unlimited range. Our goal is to provide an easy-to-use security solution that gives you peace of mind so that you can focus on the important things in life. Contact us today to learn more about how our team can help you achieve your goals.
